### Insight from Chief Experience Officer, Sianell White

*"Wow, just wow! What a month we have had. We have seen both our Supported Self-Employment Internship and DEBSS programme expand in terms of beneficiaries and staff.. Our interns have experienced a very special chance to promote their business (find out more below), and we have been out and about in the community!"*

### Update from year 1 Intern, Elliot Gower

"Working with the Samee charity is amazing! I have had a great deal of support with furthering my career as a ventriloquist, especially with publicity. Everyone is so very helpful and clearly passionate about the aspirations of every individual. (Take note education system!)"

If you're like me and have a small business up and running, or if your ideas are still in early development, you are bound to find someone here who can help you progress and achieve your goals.

On a more personal note, I have suffered much persecution in life because I am neurodivergent and see the world differently. The understanding and acceptance of my differences is deeply touching, and I would recommend joining to anyone who has had similar experiences.

This is a safe place to be who you are!  
God bless the Samee Charity!"

#### Lighthouse Art Exhibition!

From the 7<sup>th</sup> October - 20<sup>th</sup> October 2025, our interns and some adult beneficiaries had the chance to create, set up, engage with the general public, and welcome VIPs to a very special art exhibition at The Lighthouse Poole! A fantastic experience was had by all which included welcoming MP Neil Duncan-Jordan, local council workers, supporters of the charity, and friends and family. We had Tracie Bearsley from Ferndown Biz in attendance and Paul Collins Photography on PR duty for us! It was also a great chance for our year 1s and year 2s to spend some time together!

#### Local MPs visit SAMEE!

Throughout October, we had visits on three different occasions from local MPs. Neil Duncan-jordan (Independent MP for Poole) came to visit us at our Lighthouse Exhibition. Tom Hayes (MP for Bournemouth East) came to visit us at our SAMEE house open day, and Jessica Toale ( MP for Bournemouth West) came to visit us at our new SAMEE office.

#### SAMEE is expanding!

We have welcomed new members of the staff to the team this month including Self-employment advisors, intern mentors, and our brand new SENDCO!
