SAMEE now covers West Dorset!

Our main cohort of young people on the Discovery Programme and Supported Self-Employment Internship are based in and around BCP. However, we now have a mentor in Yeovil who can meet young people in and around that area. If you know of anyone with an EHCP who wants to explore self-employment, get in touch with Sianell on sianell.white@sameecharity.org or 01202 424477.
